

21 April 2015

## Notice of streetscape improvement works and temporary parking changes

The City of Melbourne is committed to improving community infrastructure and amenity to make Melbourne a more attractive place to live, work, shop and visit. As part of this commitment the City of Melbourne has engaged Citywide to complete the following construction works.

**Location of works:** **Healeys Lane, Melbourne (off Little Lonsdale Street)**

**Location of parking changes:** South side of Little Lonsdale Street, between Healeys Lane and Manton Lane

Centre parking in Lonsdale Street, between King Street and Crombie Lane

**Project:** **These works will involve cutting and relaying the bluestone roadway to make it more even, replacing existing asphalt footpath with bluestone and upgrading the bluestone kerb.**

**No vehicle access into the laneway will be permitted for the duration of the works. However, we will maintain pedestrian access to businesses during operating hours and will facilitate deliveries where possible.**

**Construction period:** Start date: Tuesday 28 April, 2015 (weather permitting).

Times: 7:00am to 5:00pm Monday to Sunday

Duration: 12 weeks (weather permitting).

To enable these construction works to proceed safely and efficiently there will be a need for temporary on-street parking changes. **Please refer to parking signs during the construction period to avoid a parking fine.**

We apologise in advance for any disruption caused during the period of these works.
